

SANCTUARY RETREAT 2018

August 19th-25th

Thank you for your interest in the upcoming retreat. Please find following some information regarding the course and the available accommodation options. All prices include accommodation, yoga and pre-retreat dinner on the Sunday evening.

Enjoy a week of relaxation and yoga in Mission Beach, North Queensland, one of Australia's most beautiful places.. This is a great opportunity to deepen your practice under the guidance of Certified Ashtanga Yoga instructor Karyn Grenfell. During the retreat there will be ample time to explore the beautiful beaches, rainforest, and coral reefs.

The retreat will be held at 'Sanctuary', a unique rainforest eco-lodge in Mission Beach, North Queensland. The week promises to be a great balance of practice and theory...and spare time. There will be practice sessions before breakfast (but not too early!) and most afternoons there will be yoga philosophy and theory workshops and discussion. The workshops will focus on practical matters such as alignment, breath, dristi and bandhas with time also given for discussion about some of the philosophical concepts surrounding yoga.

This course is open to all students, from beginners to experienced practitioners.

Please contact us if you have any queries.
